Abstract

(Font: Times New Roman, 12 pt, 1.5 space, Justified, 150–200 words)

The abstract should clearly present the **objective, methodology, key results, and significance** of the research. It should be concise and self-contained, avoiding citations, equations, and abbreviations where possible. The abstract must reflect the novelty and contribution of the work and highlight its relevance to the conference theme *Innovation, Visionary Engineering, and Next-generation Technology*.

It should include:

- Brief background or problem statement
- Proposed method or approach
- Important results or expected outcomes
- Conclusion and potential applications
